DJ Brisk is a name synonymous with the dance scene; whether it's as the hardcore legend or as one half of the infamous **Stimulant DJs**, he is known to the old skool raver and the present day clubber. His musical commitments take him all over the UK and throughout Europe, as well as across the continents to Japan, Canada, America and Australia. 2009 and 2010 have seen Brisk take out awards at the prestigious **Hardcore Heaven awards** event, one of the biggest and most revered parties of the year. Brisk's audiences respectfully voted him as "**Best Hardcore Techno DJ**", while his Next Generation Records label won "**Best Podcast or Radio Show**"; a monthly podcast which boasts over 20,000 individual downloads for each episode and is supported by many of the worlds biggest names in hardcore in the form of guest mixes for each show. A perfectionist on the mixer, **Brisk** blends exclusive and unique tunes at a rapid rate, keeping the ravers pinned to the floor. He is a DJ in every sense of the word, jamming, improvising, creating and delivering his music with technical excellence to his loyal and adoring audiences. His uncompromised style makes him the raver's DJ, educating them with the experience, knowledge and passion that is unique to **Brisk** - a master of turntablism, never missing a beat and never conforming!

A co-owner of 3 formidable and massively successful record labels; **Next Generation Records**, **Blatant Beats** and **Stimulant Records**, he has an exceptional catalogue of awe inspiring productions, including the classics: '**Airhead**', '**Eyeopener**', '**Angel Eyes**' and '**Crazy Love**' as well as '**Hoovertime**', '**Are You Serious**' and '**Blow Da Roof**'. His industrious work on these 3 labels has allowed them to stack the record shop shelves with over 240 combined releases.

Brisk has helped shape the current world of dance with his insightful productions, insatiable passion and natural yet experienced technical prowess. A recipe of unique open-mindedness, knowledge, insight and perseverance have helped fortify his position as a well respected leader within every aspect of the global dance scene for almost three decades, and after 22 years of educating and satisfying crowds worldwide, his domination is stronger than ever and he certainly shows no signs of slowing down.

As he continues his DJ dominance, he is one of the busiest DJs of today, moonlighting from **DJ Brisk** the hardcore God to the hard dance heavy weight, **Stimulant DJs**, each weekend he dons the decks and commands the dance floors, whether it be Manchester or Melbourne, London or LA, 150 or 20,000 people, this is one DJ that provides the people with their hard earned weekend escape and good solid dose of dance fuelled serenity
